

# I AM KNOWN SEEN & LOVED PRINT

*Sweet mama, you are so valuable to God! He longs to walk with you while you are washing dishes, folding clothes, building blocks, reading stories, and making dinner yet again. He delights in you and the little everyday ways you worship by loving His kids well. You aren't alone today sweet mama! He's right there with you and sees you. He knows every single detail of your life and cares deeply. What hope and JOY we have in that!*
